To Our Valued Customers,

Three years have passed since Arcosa acquired the Cherry Companies and the process of aligning ourselves with Arcosa's brand has started. While our name has changed, we still provide the same quality products and services that you have come to expect. Over the next several months, you will start to see branding changes. Rest assured that this rebrand will not affect our day-to-day business.

Going forward, you will see one of the three logos included in the footer of this letter on quotes, invoices, correspondence, and other paperwork. There will be no interruption to existing and future contracts; the new names you see below are DBAs. Please see your service representative for more information on how this may affect agreements moving forward.

To continue offering flexible payment options to our valued customers, credit card payments are accepted with a 3.5% surcharge for this service; this surcharge is not greater than our total cost of accepting credit cards. We can accept Visa, Mastercard, and Discover, however, American Express (AMEX) is no longer accepted.

Payment terms are **NET 30** and payments should be submitted to the corporate lockbox below:

Cherry Industries, Inc.
